I hereby certify that this correspondence is being deposited  
with the U.S. Postal Service as first class mail in an envelope  
addressed to the Commissioner of Patents and Trademarks,  
Washington, DC 20231, on June 30, 2003.

  
Gordon W. Dyer  
Registration No. 46,677

RESPONSE

This Response is in reply to the Office Action mailed January 28, 2003 in the  
subject application. In response to the Office Action, please amend the above-identified  
application as follows.

AMENDMENT

In the Specification:

Please amend the specification at page 7, line 3; page 8, line 3 and page 10, line 11  
from "3kHz to 300Ghz" to --3Ghz to 3000Ghz-- in order to correspond to the claims 17  
and 22.

From the Abstract, please amend the specification to include, at the end of the  
Summary:

(Amended) The present invention also includes a method of forming a glass and  
plastic composite using optical contacting to hold the glass and plastic portions together.  
(Amended) The present invention also includes a method of enhancing the kinetic  
reaction strength of a sealant using microwave radiation.
